Widgets

- Can be moved to a place on the screen you would like them. Just click and drag.
- Recent in-class incidents, Pending Admin Review, Training videos, etc.

Reporting an Incident

- Student
- Student Roster
- Student involved in the incident
- Report an incident
- Two types
 - In-class-Level 1 offense-does not go to admin.
 - Admin Review-Must be Level 2 or 3-Goes to admin

In-Class Incidents

- Level 1 only
- Put in student, date and time of incident
- Staff involved-type T and staff list will appear.
- Location and behavior
- Behavior description-be objective, do not list other student names or use emotions.
- Check consequence
- Hit save
- Edit or delete
- Email Guardians-your behavior description will be included in this email. You will also be able to write a short email to include. Will sync to Power School information and update nightly.

Incidents for Administrative Review

- Level 2 and 3 only
- Report the incident similar to the in-class incident
- Will send to admin and then appear in your pending admin review screen.
- Once admin reviews it, it can either be given a consequence or sent back to you for more information.
