

VBrick Login Instructions for PC

Use Internet Explorer only. <https://vbrick-s1.charleston.k12.sc.us>

- Enter your usual login info in the popup prompt.
- Click ALL VIDEOS TAB
- Click LIVE VIDEO TAB
- **The first time you request video you will need to install VBrick Components. Follow the prompts and install the software. Cancel out of any Windows media .lic requests. Once the installation is complete, your video will begin.**
- Click the dropdown directly under the viewer. Select the last small square and the screen will go full. Escape to go back to the portal guide.
- Pre-recorded videos are accessible under the STORED VIDEOS TAB

VBrick Login Instructions for Mac

Use Safari Browser only. <https://vbrick-s1.charleston.k12.sc.us>

- Enter your usual login info in the popup prompt.
- Click ALL VIDEOS TAB
- Click LIVE VIDEO TAB
- Scroll down and click the channel you want to watch.
- **The first time you request video you will need to install VBrick Nutcracker 64. Close Safari before you install. Follow the prompts and install the software. Once the installation is complete, you will need to reboot your Mac.**
- Re-login and navigate.

Reminder that both PC and Mac VBrick access requires that your laptop be connected via a data cable to the network and wireless disabled. Mac will require the use of a USB to Network adapter with the appropriate driver installed.
